# 2010 IMHA Annual Conference

June 6-8

**Plan to attend the 2010 IMHA Annual Conference at the Hilton in London, Ontario because you will have rare opportunities to see technology at work and get updates from all aspects of the industry.**

Beginning **Sunday**, **June 6th** with the Bruce Johnston Memorial Annual Golf Outing and Welcome Receptions, these events provide a great way to see your industry peers and connect with them.

**Monday** is filled with informational seminars including:

1. IDFA Update
2. Dairy Economy in Canada
3. 2010 Engines results
4. High speed pumps
5. Precursor for Tuesday's tours on: Ozone Wash, Confined Space Entry, and Robotics on the Farm.
6. 3A Guidelines Update
7. Transportation Legislative Update

The IMHA Business meeting will take place on Monday afternoon as Tuesday is filled with tours. In the evening a group tour is planned for local entertainment yet to be determined.

**Tuesday** is a tour day where we will take a trip to Noblewood Transport and be able to view how tanks are cleaned with an **ozone wash!** After this Oxford Milkway will have lunch and then on to see a **live demonstration** of **confined space entry** and the use of **robotics** on the farm. The day ends with a reception and banquet where you can exchange numbers and emails to keep in contact with your peers.

**You are guaranteed to not only have a good time at the conference, but also increase you awareness of changes in the industry!**
