Impactful Discussions For Growing Your Business

## Sponsorship Opportunities

The IMHA Leadership Summit provides a forum to collaborate with fellow change-makers, build leadership skills, and prepare for the next step in your leadership journey, while exploring trends shaping opportunities and challenges for dairy transportation. As our industry continues to grow, it is more important than ever to create a strong pool of dairy professionals who are prepared to fill senior-level management positions in their companies and provide current leaders with tools to strengthen their organization's appeal.

During this interactive 2-day program, attendees will hear from thought provoking speakers and explore new technologies and ideas. Attendees will develop high-level workplace skills that will enhance their leadership abilities and deliver tangible benefits to their organizations.

The IMHA Leadership Summit is open to IMHA members.

### Why Sponsor?

As a sponsor, your organization will gain visibility and respect among industry peers and showcase your commitment to investing in the future of the dairy transportation industry. Each sponsor will be gratefully acknowledged at the Summit, on the website, as well as leading up to, during, and post-event marketing channels.
